

Super Sorter Signage

Help Fund Your Program!

Adding signage to your Super Sorter is an excellent way to either further educate your participants on the desired stream collection or act as an alternative source of revenue.

Initial set up costs are a huge deterrent for those looking to start recycling. Why not have a local business advertise on your container to help fund your program?! Signage is easy to change out and we will happily help with the design!

ADDITIONAL FEATURES:

- Metal frame with plexi glass insert to protect your artwork
- Use for program information or to promote sponsor
- Available for all Super Sorter sizes (including the Wave Series)
